

From the Kitchen of An Old Girl Scout

Girl Scout Cookie Pizza

Using one refrigerated chocolate chip cookie dough - press out into a big round circle on a round pizza pan. Take six (6) Girl Scout Thin Mint Cookies and break them into chunks. Press chunks into cookie dough. Bake for 12-14 minutes at 350° or until lightly brown. You'll have a delicious chocolate chip thin mint cookie pizza that the family will love!

Senior Moments

By Lee Minnix

Next month is the Sunshine Girls' **Second Annual Senior Dinner** at the Town Hall. If you attended the event last year, you are already on the invitation list. Don't forget to mark your calendar for May 23rd at 4:00pm.

For reservations call 819-6335.

BRING YOUR TRASH TO THE PARK!!

Saturday, April 4th - 9am-12pm

Two large dumpsters will be set up at the Town Park -- *compliments of KAV KAN Disposal*. One will take residents' trash and the other will be available for any large recyclable items you may want to dispose of (NO GLASS, HAZARDOUS WASTE OR CHEMICALS OF ANY KIND, PLEASE). Proceeds from the recycling canister will go back to the town!

Keep Troutville Clean & Beautiful

Let's Picnic & Pray at the Park!

National Day of Prayer - Thursday, May 7, 2009

Troutville residents can join together to pray for our nation and its leaders at 12:00 noon at the Town Park's flag pole. If the weather is nice, bring a packed lunch and we will eat together afterwards. This is an important event that will be held rain or shine...don't forget to bring an umbrella.

First Fridays with Friends

POMEGRANATE Restaurant
Friday, April 3rd at 6pm

This month features the great **Key West Band**.
Come and celebrate Spring with your friends!

LiteSteel Technologies America LLC Begins Production in Troutville

The new North American plant for LiteSteel Technologies America LLC recently began production of its signature product, LiteSteel Beam (LSB), at the \$30 million facility on Stoney Battery Road in Troutville. LSB has been used in Australia for the past four years in thousands of residential and light commercial construction projects. The new Troutville facility is producing LSB in 12 different sizes, and is ideal for basement and garage beams, long-span headers, roof and ridge beams, and floor and deck supports.

LiteSteel Technologies was also a generous contributor to the 2008 **Party in the Park** safety improvements campaign.

Troutville Trivia

Have you been to the Pomegranate yet? This restaurant in Troutville was the old "Feed Store." In the late 1940's, two brothers, Johnny and David Obenshain, built the "Feed Store" to replace their old store that was across the street. The "Troutville Supply" carried Wayne's Feed and also sold oil. They also had twin sisters - Anne Obenshain and Jane (Obenshain) Morris..

"In any moment of decision, the best thing you can do is the right thing; the next best thing is the wrong thing, and the worst thing you can do is nothing."

Theodore Roosevelt
