Love Notes

By Dottie Henry

February is the Love Month - hearts, lace, Valentine's candy, flowers and love notes.

Have you sent a note of thanks for that Christmas gift you received? Have your children remembered to write Thank You notes for their presents? I don't mean email letters or phone calls; I'm talking about old fashion, hand-written notes.

How about sending a note to folks who did something special for others? Recently I mailed a note of appreciation to a couple who annually invites three lonely strangers to Christmas dinner. Now that's what I call real Christianity!

This year, let's all get out those note cards and pens, and say "thanks" to someone special. It will bring a smile to their face and set a great example for your family ...and it will make you feel good too!!

Troutville Rescue Squad News

By Ashley Amos

The Troutville Rescue Squad would like to thank the participants of our December 4-wheeler giveaway, and congratulate our winner Mr. Robert Chandler!

Our cookbook project is being pushed back to the Spring. We are still in need of many, many recipes to make it happen....all types are welcome.

And, as always, we are still in need of members. Training is provided, as well as clothing, bunk rooms for overnight stay and a kitchen. If you are interested in volunteering - in any aspect - please stop by the station located at 20 Sunset Avenue. Thanks for your support!
