July 18th - Tim Martin and Friends

2nd Annual Senior Dinner

By Dottie Henry

WOW!! What an amazing evening! I am sure y'all have heard about the event held in the Troutville Town Hall on May 23rd for folks over 70 years young. There were 53 people in attendance.

The theme this year was *The 1950's*, and as you arrived you saw a bicycle built for two on the lawn where Mayor Bill Rader served as a valet to park your car.

As you entered the foyer, you were greeted by Jan Smith who was quick to give you a name tag and have you sign the guestbook. Balloons and mini records decorated the entrance like streamers and 78 rpm records hung from the ceiling in the hall at different heights.

The tables were covered in brightly colored cloths and the centerpieces by Len Miller were old 78s topped with old soda pop bottles filled with wild flowers. Len also had a table display of many interesting items from Troutville History. Besides several memorabilia items from the old Troutville High School, a letter sweater that was worn by Bobbie Woodie was on display. He was in attendance at the dinner, and also showed several others his high school ring. The Alma Mater that was sung for the graduation in 1928 was also available, with extra copies for folks to take home. We are still searching for information as to who wrote this beautiful song. Please call the town office or let Len Miller know if you have the answer.

Beef tips in gravy over scooped mashed potatoes topped with shredded cheese and cherry tomatoes on top was served in ice cream dishes...they really looked like a sundae! Green beans and Jell-O salad completed the entrée. The meal finished with strawberry shortcake. Special thanks to Country Cooking for donating the hot rolls.

The program started with a cheer from *The Sunshine Girls* and staff shouting out the letters "T..R..O..U..T..V..I..L..L..E". Each one was holding a letter high and proudly, followed by singing of the Troutville School Song, with many of the guests
