FRIENDS ARE CELEBRATING FIVE!!

by Lee Minnix, FRIENDS OF THE PARK Chairperson

This year marks the 5th Anniversary for Troutville's *Friends of the Park*. We are a very vivacious group of women who know how to throw a party and get the job done. With four September "*Party in the Parks*" under our belts, we have not only brought the community together but have managed to achieve our goal to promote safety in the park. To date, our fundraisers have provided for the resurfacing of the tennis court and the installation of security cameras. We are very proud of our accomplishments, and continue to work to improve the safety and enjoyment of the Town Park. Of course, we appreciate all of the support we have received from our local corporate donors and the many townspeople who have given donations each year to this cause.

We will continue to strive to keep the community informed of our activities with this town newsletter. The *TROUTVILLE Tidbits* was created two years ago so we could do just that. It is the volunteers of our group and financial support from Thriftway that make this paper possible. We are always looking for more friends to help with the many extra activities that we do throughout the year in the Town of Troutville. **If you are interested in getting involved with a group of gals who really know how to have fun and raise some money in the process, call us! 819-6335.**
