### Kay & Cecil's Corner

By Kay & Cecil Bingham

Spring is just around the corner, and parties, reunions and church socials are becoming the topics of conversation. And what better place to hold them than the Troutville Park? ***But remember***.....if you are thinking of using one of our great park shelters at any time this year, don't wait until the last minute to call the Town Hall (992-4401) to make your reservation. It's a must! Groups attempting to use a shelter without a reservation will be asked to vacate and will be required to pay a cleaning fee. Also, be considerate of others -- if the "Reserved" sign is up, please do not use the shelter.

We look forward to seeing you in the Park!!

### TOWN SCOOP

### Can you guess who's turning 80???

**Here's a hint:** She is a former Mayor of Troutville, has a black poodle named Bouvier, and in the summer her neighbors love to hear her singing when the windows are open...they can hear her lovely voice all through the neighborhood.

HAPPY BIRTHDAY JEWELL TYNDALL!!

### THANK YOU Troutville Volunteer Fire and Rescue Squad!!
